

## At the library

Technology tutoring at the Calhoun Memorial Library is done for the summer. The Calhoun Memorial Library wants to extend a big thank you to the Chetek-Weyerhaeuser High School Honor Society students and Chetek-Weyerhaeuser High School for their participation in the program.

“It was a huge success,” said Emily Resendiz, Calhoun Memorial Library director.

For the last several months two to three honor students were coming in every Thursday for an hour to assist people with their IT questions, providing lessons in how to use their device, be it smartphone, laptop, Kindle or camera. The program proved popular with many patrons and often left praising the students and the help they received.

“The students were knowledgeable, very kind and patient,” wrote Gail Olson, Chetek library patron. “This is a true blessing. I returned as many times as I was able. Each time I had a different student and each time they were extremely helpful.”

Thanks again to all who assisted or took part in the program!

Beneficial Bites is scheduled for this Wednesday (May 22) at 1 p.m. The topic is quinoa, a seed rich in protein, dietary fiber and B vitamins. It is gluten-free and rich in calcium, potassium, zinc and iron. Stop in to learn all of quinoa’s many health benefits. The event is free and includes food samples.

Just an FYI, the Chetek library will be closed for Monday, May 27 for Memorial Day. The library will reopen Tuesday, May 28 at 1 p.m.
